

Are You Lost In Transactions?

Do You Need Business Transaction Assurance?

Distributed interconnected applications spanning several systems, databases and middleware from multiple vendors can hide solvable problems with your company's transactions.

Watch Paul Rusk Regional VP Momentum SI and Adrian Khalili Solutions Consultant Progress Software for this recorded webinar and learn how Progress® Actional® can help you:

- Quickly identify, resolve, and even prevent lost, stalled, or invalid transactions
- Pinpoint the exact process step, system, service, or operation that needs your attention
- Achieve business transaction assurance

Learn how **Progress® Actional®** could optimize business performance and make your job a whole lot easier.
